DATE: November 3, 2022

TOPIC: IL TRS Federal Fund Payments in Arrears

PREPARED BY: Courtney Whited

### **Recommended for:**

- ☒ Action
- ☒ Discussion
- ☒ Information

### **Purpose/Background:**

TRS recently changed the method of payment for the monthly remittance invoice. Unfortunately, the new method forces the District to pay each part of the bill in full or resort to mailing paper checks for partial payments. For over three years, SD74 has been making installment payments to address the Federal Funds in arrears sum. There are only five (5) months remaining to pay the \$23,780.58 balance. The SD74 Business Office is seeking approval to pay the total balance of the Federal Funds "penalty" online, in full, when next month's bill arrives.

### **Fiscal Impact:**

\$23,780.58 paid in November 2022 instead of the same amount spread out over the next five (5) months of Fiscal Year 2023.

### **Recommendation:**

The Finance Committee members in attendance stated their support of the Administrative recommendation for Board approval of a single, full payment of the remaining \$23,780.58 in accrued TRS Federal Funds charges anticipated to appear on the October 25, 2022 Illinois Teachers' Retirement System invoice.

DATE: November 3, 2022

TOPIC: Subscription for XtraMath Premium for the 2022-2023 School Year

PREPARED BY: Jordan Stephen

### **Recommended for:**

- ☒ Action
- ☒ Discussion
- ☒ Information

### **Purpose/Background:**

XtraMath is a digital tool for helping students in math get immediate feedback regarding their speed and accuracy of computation. As students' complete problems, the system adapts to target the areas in which students struggle with specific skills. Teachers track student progress using fluency reports, and can customize programs to differentiate for students. For example, one student can be working on multiplication and division while another can work on addition.

District Legal Counsel reviewed the XtraMath Terms and Conditions and found them acceptable. In the past Counsel proposed an Amendment to the Agreement addressing terms such as Governing Law and Venue, Freedom of Information Act requests, and SOPPA language to ensure compliance with state law. That Amendment was agreed upon and accepted by XtraMath and is still valid. District currently has a vendor specific agreement on file that covers all SOPPA requirements.

### **Fiscal Impact:**

\$500 for Grades 3 through 5 for service between the dates of December 21, 2022 and December 21, 2023.

### **Recommendation:**

The Finance Committee members in attendance stated their support of the Administrative recommendation for Board approval for the XtraMath Quote in the amount of \$500 for the service dates from December 21, 2022 to December 21, 2023.

## **XtraMath License Agreement and Terms of Service**

This License Agreement (this Agreement) is made effective as of **December 21, 2022**, between XtraMath, of 4700 42<sup>nd</sup> Ave SW, Suite 535, Seattle, WA 98116 (“Vendor”), and \_\_\_\_\_ the **Board of Education of Lincolnwood School District No 74, Cook County, Illinois** \_ (“Customer”).

**1. Privacy.** XtraMath takes user privacy seriously. [XtraMath's Privacy Policy](#) explains how XtraMath collects, uses and discloses user data. It also covers our data storage, security, retention, and deletion practices. [XtraMath's Privacy Policy](#) is incorporated into these Terms of Service (collectively, the “Terms”).

**2. User Accounts.** No person under the age of 13 in the United States, or under the age of 16 outside of the United States, may create their own account. A parent, guardian, or teacher must create a Student account for any child below these age thresholds before they can use XtraMath.

You agree that the information you provide to XtraMath, whether at registration or at any other time, will be true, accurate, current, and complete. As a parent, guardian, or teacher, you represent and warrant that you will not provide us with information about any child/student unless you have the legal authority to do so. By registering your child/student, you agree to be bound by the Terms on behalf of your child/student, including without limitation being liable for all use of XtraMath by the child/student. You acknowledge that XtraMath cannot guarantee the accuracy of any information submitted by any user and that XtraMath is not obligated to verify the accuracy of any such information, including any user’s claim to be the parent or teacher of a child/student.

3. You will not use XtraMath for any commercial use or purpose unless expressly permitted by XtraMath in writing.
4. You will not intentionally interfere with or damage the operation of XtraMath by any means. Such interference includes, without limitation, participating in any denial-of-service type attacks and uploading or otherwise disseminating cheats, viruses, adware, or other malicious code.

**4. Termination of Services.** You may terminate the Terms, and any account you created for yourself or your child/student, at any time. If an account for your child was created under the “school official” exception of the U.S. Family Educational Rights and Privacy Act (FERPA), you must request such termination from your child’s school that established the account. To terminate an account, you must email [info@xtramath.org](mailto:info@xtramath.org) and discontinue your (or your child’s/student’s) use of any and all parts of XtraMath.

XtraMath, in its sole discretion, has the right to suspend or terminate any account and refuse any and all current or future use of XtraMath, with or without cause (such as a violation of these Terms). Such termination will result in the deactivation or deletion of your account, or your access to your account, and the forfeiture and relinquishment of all records in your account.

**5. Intellectual Property.** XtraMath graphics, images, logos, source code, designs, software, workflow processes, user interface, and content are protected by intellectual property laws as copyrights, trademarks, and trade dress. The XtraMath name is a registered trademark under United States law.

Your use of XtraMath does not give you license to use our marks or create derivative works. You will not modify, adapt, translate or create derivative works based upon XtraMath, except and only to the extent expressly permitted by XtraMath or to the extent the foregoing restriction is expressly prohibited by applicable law.

You will not reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of XtraMath or any part thereof, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

**6. Confidentiality.** Definition of Confidential Information. Confidential information means all non-public information including Personally Identifiable Information (“PII”) as defined by applicable law, disclosed by a party (“Discloser”) to the other party (“Recipient”), whether orally or in writing, that is designated as confidential, or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure (“Confidential Information”). XtraMath’s Confidential

Information includes without limitation the Service, its user interface design and layout, and pricing information.

The Customer must use the same degree of care that it uses to protect the confidentiality of its own confidential information (but in no event less than reasonable care) not to disclose or use any Confidential Information of the Discloser for any purpose outside the scope of these Terms. The Customer must make commercially reasonable efforts to limit access to Confidential Information of Discloser to those of its employees and contractors who need such access for purposes consistent with these Terms and who have signed confidentiality agreements with Recipient no less restrictive than the confidentiality terms of these Terms.

Confidential Information excludes information that: (i) is or becomes generally known to the public without breach of any obligation owed to Discloser; (ii) was known to the Recipient before its disclosure by the Discloser without breach of any obligation owed to the Discloser; (iii) is received from a third party without breach of any obligation owed to Discloser; or (iv) was independently developed by the Recipient without use or access to the Confidential Information. The Recipient may disclose Confidential Information to the extent required by law or court order but will provide Discloser with advance written notice to seek a protective order.

**7. Warranty Disclaimer.** Your and/or your child's/student's use of XtraMath is at your sole risk. XtraMath and all parts and services thereof are provided on an "as is", "as available", and "with all faults" basis. XtraMath disclaims any and all warranties and conditions, whether statutory, express or implied, to the fullest extent permitted by applicable law. No advice or information obtained by you from XtraMath will create any warranty not expressly stated herein. Specifically, but without limitation, XtraMath expressly does not warrant that: a) XtraMath will meet any specific requirements or expectations, including but not limited to yours; b) XtraMath or any data, user content, functions or any other information offered on or through XtraMath will be uninterrupted, timely, secure, or free of errors, viruses or other harmful components; c) The results that are obtained from the use of XtraMath will be accurate or reliable; d) The quality of any products, services, information, or other material purchased or obtained by you through XtraMath will meet your expectations; or e) Any errors or any issues with XtraMath's services will be corrected.

XtraMath will comply with and will cause each of its employees, agents, and contractors to comply with all state, federal, and municipal laws and regulations applicable to its performance under this Terms of Service, including without limitation the U.S. Family Educational Rights and Privacy Act ("**FERPA**"), and the Children's Online Privacy Protection Act ("**COPPA**"). [XtraMath's Privacy Policy](#), which is incorporated by reference into these Terms of Service, contains additional terms regarding XtraMath's use of and commitment to safeguarding Student Data and compliance with other student privacy laws. Customer is responsible for providing notice of its own privacy policy to parents of its students and obtaining any necessary parental consents for students to use the software as may be required by applicable law.

You understand and agree that your or your child's/student's use of XtraMath is at your own discretion and risk, and that you will be solely responsible for any damage to your property, including your computer system, phone or personal electronic device, or loss of data that results therefrom.

**7. Limitation of Liability.** To the fullest extent permitted by applicable law, under no circumstances, including but not limited to negligence, will XtraMath or its affiliated contractors, employees, agents and its third-party suppliers, licensors, and partners be liable for any special, indirect, incidental, consequential, punitive, reliance, or exemplary damages arising out of or relating to these Terms or your use of (or inability to use) XtraMath, or any interactions with XtraMath.

In no event will XtraMath's or its affiliated contractors', employees', agents' and its third-party suppliers', licensors', and partners' total liability to you for all damages, losses, and causes of action arising out of or relating to these Terms or your use of (or inability to use) XtraMath, or any interactions with XtraMath, exceed the amount paid by you, if any, for accessing XtraMath during the twelve months immediately preceding the date of the claim.

You and XtraMath agree that any cause of action arising out of or relating to these Terms or your use of (or inability to use) XtraMath, or any interactions with XtraMath, must commence within one year after the cause of action accrues. Failure to commence a cause of action within this time limit will result in a permanent bar on the cause of action.

**8. Indemnification.** You agree to indemnify, defend, and hold harmless XtraMath, its affiliated contractors, employees, agents and its third-party suppliers, licensors, and partners from any claims, losses, damages, liabilities, and expenses (including legal fees and expenses), arising out of any use or misuse of XtraMath, any violation of the Terms, or any breach of the representations, warranties, and covenants made herein, whether by you or by any child/student associated with you. XtraMath reserves the right, at your expense, to assume the exclusive defense and control of any matter for which you are required to indemnify XtraMath, and you agree to cooperate with XtraMath's defense of these claims. XtraMath will use reasonable efforts to notify you of any such claim, action, or proceeding upon becoming aware of it.

**9. Modification of Terms.** XtraMath reserves the right, at its sole discretion, to change, modify, add, or remove portions of the Terms at any time. We will provide notice of such changes on our website and in our mobile apps. Your or your child's/student's continued use of XtraMath after the posting of changes constitutes your binding acceptance of such changes. For any material changes to the Terms, XtraMath will make a reasonable effort to provide advance notice to you of such amended Terms, such as by an email notification to the address associated with your account (subject to your email delivery preferences) and/or by posting a notice on the XtraMath website. Disputes arising under these Terms will be resolved in accordance with the version of the Terms in place at the time the dispute arose.

**10. Governing Law and Jurisdiction.** These Terms will be governed by and construed in accordance with the laws of the State of Washington, without giving effect to any principles of conflicts of law. You agree that any action at law or in equity arising out of or relating to these Terms or your use of (or inability to use) XtraMath, or any interactions with XtraMath, will be filed only in the state or federal courts in and for King County, Washington, and you hereby consent and submit to the personal and exclusive jurisdiction of such courts for the purposes of litigating any such action.

All claims you bring against XtraMath must be resolved in accordance with this Section 10. All claims filed or brought contrary to this Section 10 shall be considered improperly filed. Should you file a claim contrary to this Section 10, XtraMath may recover attorneys' fees and costs related to dismissal of the claim, provided that XtraMath has notified you in writing of the improperly filed claim, and you have failed to promptly withdraw the claim.

**11. Waiver.** The failure of XtraMath to exercise or enforce any right or provision of the Terms will not constitute a waiver of such right or provision. Any waiver of any provision of the Terms will be effective only if in writing and signed by XtraMath.

**12. Severability.** If any provision of these Terms is held to be unlawful, void, or for any reason unenforceable, then that provision will be limited or eliminated from the Terms to the minimum extent necessary and will not affect the validity and enforceability of any remaining provisions.

**13. Entire Agreement.** These Terms and the Privacy Policy constitute the entire agreement between you and XtraMath relating to the subject matter herein and will not be modified except in writing, signed by both parties, or by a change to the Terms or Privacy Policy as set forth herein.

**14. Assignment.** These Terms, and any rights and licenses granted hereunder, may not be transferred or assigned by you without XtraMath's prior written consent, but may be assigned by XtraMath without consent or any restriction. Any assignment attempted to be made in violation of the Terms shall be null and void.

**15. Paid Subscription.** Using XtraMath Basic is free for all users. However, users have the option of purchasing a Paid Subscription to receive additional benefits detailed on our public website.

You may cancel your Paid Subscription at any time and without reason. No refunds are issued unless expressly provided by law. No refunds are issued if your account is terminated by XtraMath because you have breached these Terms of Service or when you have requested the termination of your account yourself. When you cancel your Paid Subscription, you will lose access to all additional benefits received in connection with that Paid Subscription.

XtraMath reserves the right to change the Paid Subscription fees at any time. We will give you an advance notice of 30 days on our public website and via email before we change any fees.

**16. Payment, Invoicing, and Taxes.** Unless otherwise provided in the Price Quote, Customer will pay the amount of each invoice net 60 days after the invoice date. Except to the extent that the customer provides XtraMath with a valid tax exemption certificate authorized by the appropriate taxing authority, Customer must pay any taxes, impositions, or other charges imposed or levied by any governmental authority, including any sales, use, value-added, or withholding taxes, in connection with the Paid Subscription purchase.

**17. Other terms.** The parties may modify this Terms of Service only by written agreement signed by both parties.

By submitting ideas, suggestions, or feedback to XtraMath, Customer agrees that items submitted do not contain confidential or proprietary information. Customer also grants XtraMath an irrevocable, unlimited, royalty-free, and fully paid perpetual license to use such items for any business purpose.

If any term of these Terms is invalid or unenforceable, the other terms remain in effect. Except for the payment of fees, neither party is liable for events beyond its reasonable control, including, without limitation, force majeure events, failure of Internet services, any third-party service, and telecommunications services.

Any breach by a party of these Terms or violation of the other party's intellectual property rights could cause irreparable injury or harm to the other party. The other party may seek a court order to stop any breach or avoid any future breach.

You agree that the information you provide to XtraMath, whether at registration or at any other time, will be true, accurate, current, and complete. As a parent, guardian, or teacher, you represent and warrant that you will not provide us with information about any child/student unless you have the legal authority to do so. By registering your child/student, you

agree to be bound by the Terms on behalf of your child/student, including without limitation being liable for all use of XtraMath by the child/student. You acknowledge that XtraMath cannot guarantee the accuracy of any information submitted by any user and that XtraMath is not obligated to verify the accuracy any such information, including any user's claim to be the parent or teacher of a child/student.

Customer must: (i) keep its passwords secure and confidential; (ii) be solely responsible for Customer Data and all activity in its account; (iii) use commercially reasonable efforts to prevent unauthorized access to its account and notify XtraMath promptly of any such unauthorized access; and (iv) use the software as described in XtraMath's written guides.

XtraMath also reserves the right to modify or discontinue, temporarily or permanently, any or all of XtraMath's services. You agree that XtraMath will not be liable to you or any third party for any such termination.

Within ninety (90) days after expiration or termination of a Premium Membership for any reason, upon request, Customer agrees to return, delete, or destroy all proprietary XtraMath materials provided by XtraMath. Customer will confirm its compliance with this destruction or return requirement in writing upon request of XtraMath.

For a period of up to ninety (90) days after termination, upon request, XtraMath will make available for Customer to access and export Customer Data and Student Data. Alternatively, Customer may submit a written request to XtraMath up to sixty (60) days after termination to request the

### Purpose/Background:

There are three large, mature trees on the southeast corner of Lunt and Crawford Avenues. One of the trees, a dead honey locust, by the Todd Hall bus entrance needs to be removed. Progressive Tree Service provided a quote to remove the tree, grind the stump, backfill with grindings and dispose of the excess mulch. Progressive indicated this quote from July is still valid. Legal Counsel reviewed this Agreement and found no issue with it.

### Fiscal Impact:

\$1,740

### Recommendation:

The Facilities Committee members in attendance stated their support of the Administrative recommendation for Board approval to accept the Agreement from Progressive Tree Service for the removal of one dead honey locust tree in the amount of \$1,740 to occur before the winter season begins.

**Completion of Contract:** Progressive Tree Service Inc. agrees to do its best to meet any agreed upon performance dates, but shall not be liable in damages or otherwise for delays because of inclement weather, labor, or any other cause beyond its control; nor shall the customer be relieved of completion for delays.

**Tree Ownership:** The authorizing party warrants that all trees listed are located on the customer's property, and if not that the authorizing party has received full permission from the owner to allow Progressive Tree Service Inc. to perform the specified work. **Concealed contingencies:** Any additional work or equipment required to complete the work, caused by the authorizing party's failure to make known or caused by previously unknown foreign material in the trunk, the branches, underground, or any other condition not apparent in estimating the work specified, shall be paid for by the customer on a time and material basis. Progressive Tree Service Inc. is not responsible for damages to underground sprinklers, drain lines, invisible fences or underground cables unless the system(s) are adequately and accurately mapped by the authorizing party and a copy is presented before or at the time the work is performed.

TOPIC: School Maintenance Project Grant FY2023

PREPARED BY: Courtney Whited

### **Recommended for:**

- ☒ Action
- ☒ Discussion
- ☒ Information

### **Background:**

The Administration began the ISBE application process in an effort to secure up to \$50,000 of School Maintenance Project Grant funds. The specific roofing project cited on the application pertains to the Summer 2023 Rutledge Hall work approved at the October 6, 2022 Board of Education meeting. One of the steps in this process is to assure the grant application has been authorized by the local Board of Education at a duly convened meeting, and the local Board of Education has reserved local funds in an amount equal to the School Maintenance Project Grant requested to meet the local match requirement. In addition, the District must have not obligated funds or began work on any of the projects listed. These assurances will be in the form of the Board President's signature on two forms; District Certification and Taxpayer Identification Number.

### **Fiscal Impact:**

Up to \$50,000 of State revenue gained, if the grant's maximum is awarded to SD74  
\$665,050 is the Rutledge Hall portion of the \$979,600 total Summer 2023 Roofing Project

### **Recommendation:**

The Facilities Committee members in attendance stated their support of the Administrative recommendation for the Board to approve the District Certification form and Taxpayer Identification form in order to complete the School Maintenance Project \$50,000 Grant process before the November 18, 2022 deadline.

**SCHOOL DIST 74****RCDT #: 05-016-0740-02****FY 23 Application Cycle - Round 1**

☐ By checking this box, the applicant/award recipient (hereinafter the term "applicant" includes "award recipient" as the context requires) hereby certifies and assures the Illinois State Board of Education that:

The project will be administered by or under the supervision of the applicant and in accordance with the School Construction Law (105 ICLS 230), School Maintenance Project Grant Rules (23 Ill. Adm. Code Section 151, Subpart B), and all other laws and regulations applicable to the grant. There is no limit to the cost of a project; however, grant awards shall not exceed \$50,000 per project, and applicants shall provide a match from local funds equal to the grant amount requested.

The applicant ensures that the School Maintenance Project Grant (SMPG) application has been authorized by the local board of education (in the case of school districts) or other school governing authority at a duly convened meeting and that the local board of education or other school governing authority has reserved local funds in an amount equal to the amount requested in the SMPG application to meet the local match requirement. In addition, the applicant has not obligated funds or begun work on any of the projects listed.

**DEFINITIONS**

The capitalized word "Term" means the period of time from the project beginning date through the project ending date. For the School Maintenance Project Grant, "Term" is further defined to mean the period of time from grant approval by the Illinois State Board of Education to final project completion or two years after disbursement of the grant award by the state, whichever occurs first.

**FINANCIAL TERMS**

1. An applicant must not obligate funds or begin work on any of the projects listed on the application prior to submission of the application in the ISBE Web Application Security system. However, submission of the application does not guarantee a grant will be approved or awarded.
2. All project activities must be expended or legally obligated within two years of disbursement by the state. If funds have been obligated by the grantee but not fully expended two years after disbursement, 90 calendar days will be given to liquidate all obligations.
3. The applicant understands that payment of the entire grant award will be made upon approval of the grant. Per 23 Ill. Admin Code 151 Subtitle A, Section 151.140 Terms of the Grant, Subsection B, a final expenditure report will be filed by the applicant at the end of the Term that describes the use of the grant funds and actual project expenditures. If actual project expenditures are less than originally estimated as stated on the grant application so that the amount of the grant is greater than 50 percent of the total project expenditures, the applicant shall refund the amount of the grant that is in excess of 50 percent of actual project expenditures.
4. Grant funds may only be used for the project described in the approved application and cannot be amended. The grant shall be accounted for in compliance with applicable accounting rules set forth at 23 Ill. Admin Code 100 Requirements for Accounting Budgeting, Financial Reporting and Auditing. The applicant must provide local matching funds in an amount equal to the grant.
5. All state grant funds and earned interest shall be subject to the Illinois Grant Funds Recovery Act (30 ILCS 705). Interest earned on state-funded grant programs and grant funds not expended or obligated by the end of the Term must be returned to the Illinois State Board of Education within 45 calendar days. If funds are obligated by the grantee but have not been fully expended two years after disbursement, 90 calendar days will be given to liquidate all obligations.
6. The applicant, in compliance with the provisions of 30 ILCS 105/9.07, will not expend any funds received from the Illinois General Revenue Fund for promotional (Program-Specific and Financial Assurances for the School Maintenance Project Grant – Rev. 6/22) items, including calendars, pens, buttons, pins, magnets, and any other similar promotional items.

**FINANCIAL AND PERFORMANCE REPORTS**

7. Quarterly expenditure reports are required of all award recipients receiving funds. Quarterly reports must describe the progress of the project or use and the expenditure of the grant funds. The expenditure through dates to be used in reporting expenditures and obligations are from the project beginning date through September 30, December 31, March 31, and June 30 of each fiscal year and the project ending date.
8. Quarterly expenditure reports are required by the Illinois Grant Funds Recovery Act, 30 ILCS 705/4(b) and are due 20 calendar days after the expenditure through date. Failure to file the required reports within the timelines will result in a breach of the Grant Agreement. Upon any such breach, the Illinois State Board of Education may, without limitation, request for the School Maintenance Project Grant funds to be returned. In the event that a grant recipient has failed to remit payment and the debt is 90 calendar days past due, involuntary offset may be applied against Evidence-Based Funding (EBF). Grant recipients that have no further grants with the state for which the debt can be applied will be referred to the Illinois Department of Revenue's Debt Collection Bureau or the attorney general, as appropriate.
9. Per 23 Ill. Admin Code 151 Subtitle A, Section 151.140 Terms of the Grant, Subsection B, a Final Expenditure Report is due after the end of the Term. The Final Expenditure Report must be submitted within 20 calendar days and indicate total project costs for all projects on the approved application. Failure to file the Final Expenditure Report within the timelines will result in a breach of the Grant Agreement. Upon any such breach, the Illinois State Board of Education may, without limitation, request for the SMPG funds to be returned. In the event that a grant recipient has failed to remit payment and the debt is 90 calendar days past due, involuntary offset may be applied against EBF. Grant recipients that have no further grants with the state for which the debt can be applied will be referred to the Illinois Department of Revenue's Debt Collection Bureau or the attorney general, as appropriate.
10. Per 23 Ill. Admin Code 151 Subtitle A, Section 151.140 Terms of the Grant, Subsection B, in cases where the Final Expenditure Report shows that actual project expenditures are less than estimated so that the amount of the grant is greater than 50 percent of the total project expenditures, the applicant shall refund the amount of the grant that is in excess of 50 percent of actual project expenditures. Any overpayment must be returned to the Illinois State Board of Education within 45 calendar days. Failure to return the funds will result in a breach of the Grant Agreement. In the event that a grant recipient has failed to remit payment and the debt is 90 calendar days past due, involuntary offset may be applied against EBF. Grant recipients that have no further grants with the state for which the debt can be applied will be referred to the Illinois Department of Revenue's Debt Collection Bureau or the attorney general, as appropriate.
11. The award recipient will maintain records on project and fiscal activities related to each award for a period of three years following the project ending date for a state-funded project. Such records shall include a fiscal accounting for all monies in accordance with generally accepted governmental accounting principles. If there are outstanding audit exceptions, records will be retained on file until such exceptions are closed out to the satisfaction of the Illinois State Board of Education.
12. The Illinois State Board of Education and other governmental entities with program monitoring authority shall, during the Term and for a period of three years thereafter (or until no outstanding audit exceptions remain, whichever is later), have the right at any time to conduct on-site or off-site inspections of the award recipient's records and project operations for auditing and monitoring purposes. The award recipient shall, during the Term and for a period of three years thereafter (or until no outstanding audit exceptions remain, whichever is later) and upon the request of the Illinois State Board of Education, provide the Illinois State Board of Education with information and documentation (including books, records, or papers related to the project) regarding the award recipient's progress or performance with respect to the administration and operation of the project.
13. If applicable, the applicant shall be required to observe and comply with provisions of the Prevailing Wage Act, 820 ILCS 130/1 et seq., which applies to the wages of laborers, mechanics, and other workers employed in any public works.

## ASSURANCE OF USE

14. It is the intent of the state that all or a portion of the costs of this project may be paid or reimbursed from the proceeds of tax-exempt bonds subsequently issued by the state. Therefore, the grantee understands and acknowledges that the grant proceeds must be used only for capital project purposes and that the capital project must be used only for public educational purposes.

# Student Data Analysis

*Lincolnwood School District 74*  
*Children empowered for life*

# Summative Designations

- ❑ *Exemplary* – Schools performing in the top 10 percent of schools statewide with no underperforming student groups.
- ❑ *Commendable* – A school that has no underperforming student groups, a graduation rate greater than 67 percent, and whose performance is not in the top 10 percent of schools statewide.
- ❑ *Targeted* – A school in which one or more student groups is performing at or below the level of the “all students” group in the lowest performing 5 percent of schools.
- ❑ *Comprehensive* – A school that is in the lowest-performing 5 percent of schools in Illinois and any high school with a graduation rate of 67 percent or less.

# Summative Designations

## Targeted School

A school in which one or more student groups is performing at or below the level of "all students" group in the lowest performing 5% of schools.

Summative Designation Narrative

## Targeted to Support the Achievement of:

English Learner

# Summative Designations | Subgroups

Subgroups Present in SD74	All Students	Asian	Children with Disabilities	EL (English Language Learners)	Former EL	Low Income	White
Summative Scores (Performance)	70.85	74.86	72.2	22.25	75.34	86.9	87.41

- For Lincoln Hall, the summative designation was determined based on the performance, growth, and participation of each of the subgroups above. The EL subgroup score is the reason for the Targeted designation. The rest of the subgroup performances were well into the Commendable and Exemplary range

# Targeted Explained... | ISBE

- The identification of the EL subgroup as “Targeted” stems from the lack of growth data for the English-Language Arts and Math portions of the Illinois Assessment of Readiness (IAR).
- “Lack of growth data” does not mean that our students did not grow from one year to the next, but rather, the growth data for the 2022 school report card could not be calculated because too few students in the EL subgroup took the IAR assessment in 2021, which occurred in the midst of the COVID-19 Pandemic.
- This designation is less about students’ performance, but rather about the number of students who took the assessment in the spring of 2021.

# Early Exit from Status

*How we were identified and how we will exit...*

- Schools missing a pre-identified amount of data (e.g., with assessment rates for all or one or more student demographic groups below 70%).
- Schools will be exited if 2023 rates of participation are  $\geq 95\%$  and the 2023 designation is commendable or exemplary.

\*\*\*\*\*

*How Lincoln Hall plans to exit early...*

- Return to regular administration of the assessment with 100% student participation
- Continue EL support including instruction within the general education setting, pull out interventions for more intensive experiences, and after school tutoring.

# *Student Growth Analysis*

- Just we learned from our Spring growth Analysis, MAP is designed for 50% of students to meet their projected growth and 50% of students not to meet
- In order to close the learning loss gap, we would need to see growth that exceeds those numbers...
- So what did we see in the spring?

# Finally, I just want to show you our Fall to Fall Growth Numbers!

# Analysis and Observations

- Both spring and fall performance outperformed national mean data
- Our current performance data is slightly down from pre-pandemic performance
- Our current growth data shows that we are on the road to closing the learning gap in math with 8 out of 9 grade levels experiencing above pre-pandemic levels of growth
- There is still work to be done, and staff and administration are making a conscious effort to make data, learning, and instruction the main focus in our work with students.

## Executive Summary Board of Education Meeting

DATE: November 3, 2022

TOPIC: 2022 Estimated Levy

PREPARED BY: Courtney Whited

### Recommended for:

- ☒ Action
- ☒ Discussion
- ☒ Information

### Purpose:

The Administration annually presents the Board of Education with the Property Tax Levy. Essentially, it is a formal request intended to ask the Cook County Clerk to extend real estate tax collections to the District. The levy must be filed with Cook County on or before the last Tuesday in December.

### Background:

Please review the attachments for a 2021 levy review, 2022 levy calendar, historical data, recommended 2022 levy calculations and corresponding fund balance projections. The recommendation is to levy at a 4.83% increase over the prior year's extension on capped funds.

### Fiscal Impact:

The fiscal impact of the levy depends on the chosen scenario. The recommended 4.83% increase on the prior year's capped funds' extension is estimated as follows:

	2021 Extension Unknown (Given)	2022 Recommended Levy (Ask)	% Change vs. Prior Year Ext.
Capped Funds	\$24,502,955	\$25,686,000	4.83% *
Debt Service	\$1,818,275	\$1,731,689.61	-4.76% *
Total	<b>\$26,321,230 +PA Adj. \$301,310</b>	<b>\$27,417,689.61</b>	<b>4.17% *</b>

\*These percentages may shift if the 2021 Tax Extension issued by the Cook County Clerk differs from the draft version.

### Recommendation:

The Finance Committee members in attendance stated their support of the Administrative recommendation to the Board of Education to move forward with the Estimated 2022 Property Tax Levy in the amount of \$27,417,689.61, as well as approval for the publication of the corresponding Truth in Taxation Notice. This represents a 4.83% increase on last year's capped funds extension combined with a 4.76% decrease on debt service for an overall 4.17% increase on the prior year's extension.
