SESSION A - CLASS DESCRIPTIONS

8:30 a.m. - 9:20 a.m.

SESSION A - CLASSES

Blocks, Bricks, and More
Grade(s): K-2 Teacher: Kenji Mori
Blocks, Bricks, and More for K-2 students is a fun and engaging class that will harness your child's creative side. We will focus on fun, individual, and collaborative building activities that will help improve your child's hand-eye coordination, spatial skills, teamwork, and more!
Junior Golf
Grade(s): K-2 Teacher: John Wong
Students will learn the basic fundamentals of putting, chipping, and stroke mechanics in a fun and relaxed setting. Gym shoes are required.
1st Grade Reading and Writing - Fun & Games!
Grade(s): 1 Teacher: Deana Youkhana
Students will practice essential reading skills such as grade level phonics, sight words, comprehension, and fluency through various fun, hands-on activities and games that support all learning types. Activities will challenge students and reinforce important reading skills. Writing will be incorporated into daily activities. The class focuses on helping anyone needing intervention, reinforcement, or a challenge with reading skills.

Crafty Readers!**Grade(s): 1-2****Teacher: Adrianna Daskalopoulos / Nesreen Ghawi**

This class is all about children's literacy and crafts! Students will first practice their literacy skills (reading and writing) while later participating in a hands-on activity. Students will participate in a read-aloud and then create a craft from the book we read! To finish out the course, students will pick their own book and propose their own craft for the class to complete.

Children's Poetry**Grade(s): 1-3****Teacher: Amanda Ibrahim**

Whether you already enjoy poetry or are new to it, this class will help you find ways to make it fun! During class we will read poems and discuss different poetry elements. Students will then be given time to write individual and group poems. There will also be an opportunity for students to share their poems.

Exploring Storybooks**Grade(s): 2-3****Teacher: Maureen Engel**

Students will act, play, explore, craft, and create, guided by a weekly read-aloud. Each week, a new book will be chosen as the theme for class activities. Creativity will shine!

Get Ready for 3rd Grade Reading**Grade(s): 3****Teacher: Tracy Quilici**

Incoming third graders will preview and practice reading concepts and skills needed for third grade. Focus will be on story elements, character traits, figurative language, text features, prefixes/suffixes, and vocabulary. Students will get to display their dramatic and creative sides during our Thursday's Readers' Theater!

Art Lab**Grade(s): 3-6****Teacher: Halyna Yanchuk / Michelle Wielgosz**

How do you inspire an artist?- Easel-y! Join this art class, bring your ideas, and let's share inspiration. We will be trying different media and surfaces, and play with the color wheel to set the right tone to our works of art.

Creative Writing**Grade(s): 5-6****Teacher: Jenna George**

Students will learn how to effectively create fictional characters, develop a plot, and describe a setting while writing short stories and sharing them with their peers.

Cooking 101**Grade(s): 5-8****Teacher: Michelle Lange**

Do you love to cook or want to learn how to cook? Then, this is the class for you! We will prep, cook, clean, and eat! Each day we will create delicious and nutritious food that you can also make at home. All chefs will learn cooking basics and have a recipe book to treasure as a keepsake.

Team Building Games**Grade(s): 5-8****Teacher: Zachary Beyer**

Students individually, and in small and large groups will participate in a series of team building activities. Communication, teamwork, timing, direction following, and more will be developed. Students will complete team building activities in the form of station work, group timed competitions, large group games, team relays, *Minute to Win It* challenges, puzzles, and more. Gym shoes are required.

Foods Around the World - Figueroa**Grade(s): 7****Teacher: Valerie Figueroa**

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

Foods Around the World - Land**Grade(s): 7****Teacher: Bridget Land**

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

With five minutes between each session, please review your class selections to ensure schedule continuity.

SESSION B - CLASS DESCRIPTIONS

9:25 a.m. - 10:15 a.m.

SESSION B - CLASSES

The Way I Feel: Feelings and Wellness
Grade(s): K-1
Teacher: Ashley Dyer
In this class, students will explore topics of Social Emotional Learning. We will explore topics through picture books, writing, drawing, and mindfulness exercises. The ultimate goal of the class is for students to become more comfortable and confident with understanding and dealing with their feelings and the feelings of those around them. Emphasis will be placed on how to make and be a good friend.

Story Time
Grade(s): K-2
Teacher: Amanda Ibrahim
Students will listen to, and read-aloud books by their favorite authors. We will be practicing essential reading skills such as comprehension, vocabulary, and fluency. Students will get an opportunity to write their own stories!

Gym Jam
Grade(s): K-2
Teacher: Eric Baumann
The class will play a variety of awesome and exciting gym games. Movement, teamwork, and sportsmanship will be emphasized. Gym shoes are required.

Crafty Readers!**Grade(s): 1-2****Teacher: Adrianna Daskalopoulos / Nesreen Ghawi**

This class is all about children's literacy and crafts! Students will first practice their literacy skills (reading and writing) while later participating in a hands-on activity. Students will participate in a read-aloud and then create a craft from the book we read! To finish out the course, students will pick their own book and propose their own craft for the class to complete.

2nd Grade Reading and Writing - Fun & Games!**Grade(s): 2****Teacher: Deana Youkhana**

Students will practice essential reading skills such as grade level phonics, sight words, comprehension, and fluency through various fun, hands-on activities and games that support all learning types. Activities will challenge students and reinforce important reading skills. Writing will be incorporated into daily activities. The class focuses on helping anyone needing intervention, reinforcement, or a challenge with reading skills.

Get Ready for 3rd Grade Writing**Grade(s): 3****Teacher: Tracy Quilici**

Incoming third graders will practice writing for a variety of purposes. Focus will be on narrative, opinion, expository, and letter writing. Students will get a composition notebook for their writing.

Around the World**Grade(s): 3-5****Teacher: Maureen Engel**

Students will explore different cultures of countries around the world. Students will engage in crafts, make foods, practice cultural dances, learn language phrases, and more!

Brick by Brick - Lego Experience**Grade(s): 3-5****Teacher: Kenji Mori**

Brick by Brick - Lego Experience is a fun and engaging class that will harness your child's creative side. We will focus on individual and team-based challenges that will emphasize innovation, iteration, communication, and teamwork.

Gym Games 1**Grade(s): 3-5****Teacher: Zachary Beyer**

Students will participate in age-appropriate level gym games. These games could range from tagging games, to activities such as the parachute, four corners, gaga ball, and more. Gym shoes are required.

Junior Golf**Grade(s): 3-5****Teacher: John Wong**

Students will build on the basic golf skills of putting, chipping, and stroke mechanics. We will begin to help them develop strategies to improve their golf skills in a fun environment. Gym shoes are required.

Reading Readiness**Grade(s): 4-5****Teacher: Alexandria Gillespie**

Students will get a chance to read short stories, engage in discussion, and work together to sharpen their skills in literacy. During our time together, we will be working on writing, reading, vocabulary, and other skills through fun and engaging games and activities!

Cooking 101**Grade(s): 5-8****Teacher: Michelle Lange**

Do you love to cook or want to learn how to cook? Then, this is the class for you! We will prep, cook, clean, and eat! Each day we will create delicious and nutritious food that you can also make at home. All chefs will learn cooking basics and have a recipe book to treasure as a keepsake.

Digital Media**Grade(s): 5-7****Teacher: Halyna Yanchuk / Michelle Wielgosz**

This class gives an opportunity to become more comfortable with digital means of art making. We'll create visual stories using photography, digital-drawing applications, and graphic design tools.

6th Grade Math Readiness

Grade(s): 6

Teacher: Michael Endo

Students will work on essential skills needed for 6th grade. Students will also get a chance to work on areas that they need improvement on to help raise their math performance scores. This is a perfect bridge to middle school!

Foods Around the World - Figueroa
--

Grade(s): 6

Teacher: Valerie Figueroa

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

Foods Around the World - Land

Grade(s): 6

Teacher: Bridget Land

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

Creative Writing

Grade(s): 7-8

Teacher: Jenna George

Students will learn how to effectively create fictional characters, develop a plot, and describe a setting while writing short stories and sharing them with their peers.

SESSION C - CLASS DESCRIPTIONS

10:20 a.m. - 11:10 a.m.

SESSION C - CLASSES

Getting Ready for Kindergarten
Grade(s): K
Teacher: Dena Swidler
Students will get a taste for what it is like in Kindergarten at Todd Hall. We will explore numbers, letters, calendars, and playing with others. We will focus on early number sense (number recognition, patterns, simple addition), and letter names and sounds. There will be time to develop handwriting and beginning reading skills.

Crafts and Games
Grade(s): K-2
Teacher: Amanda Ibrahim
Do you enjoy arts and crafts? If so, join us for some fun! We will be playing a variety of games and creating all sorts of crafts.

Pickleball 101
Grade(s): K-2
Teacher: John Wong
Students will learn the basics of the popular hybrid tennis/ping pong game of pickleball. Gym shoes are required.

Little Movers**Grade(s): K-2****Teacher: Adrianna Daskalopoulos / Nesreen Ghawi**

This class is all about movement! Each week, students will learn a different sport (basketball, soccer, volleyball, dance, etc.) through various games! Basic skills will be taught and practiced, as well as sportsmanship principles and teamwork. Gym shoes required!

Reading Rally with Favorite Storybook Friends Adventures!**Grade(s): 1-3****Teacher: Deana Youkhana**

Students will listen to and read books by both new and favorite authors. Participants will experience cross-curricular activities using different genres to reinforce essential reading, comprehension, and writing skills. Students will write and act out their own favorite storybook tale.

Science Explorers**Grade(s): 2-4****Teacher: Maureen Engel**

Investigate insects, study clouds and weather, try out your green thumb and plant, learn about the solar system, and participate in amazing guided science experiments!

Get Ready for 3rd Grade Math**Grade(s): 3****Teacher: Tracy Quilici**

Incoming third graders will work cooperatively and interactively on math skills needed for third grade. Focus will be on addition, subtraction, place value, time, and money. Every Thursday we will have a game day!

Gaming - UNPLUGGED!**Grade(s): 3-4****Teacher: Jenna George**

We will be taking a break from electronics, and playing a wide variety of indoor and outdoor games! Gym shoes required.

Sports and Gym Games**Grade(s): 3-5****Teacher: Eric Baumann**

Students will play awesome large group games. Tag-style games, bench-ball, pin soccer, yoshi, and other games will be included. Additionally, soccer and basketball skills will be learned through game play. Gym shoes are required.

Math Readiness**Grade(s): 4-5****Teacher: Alexandria Gillespie**

Students will get a chance to practice their fast facts, work on problem solving, and many other skills for the upcoming school year. During our time together, we will be working on multiplication, division, powers of ten, decimals, and more topics through fun and engaging games!

Let's Make 3D Art**Grade(s): 4-6****Teacher: Halyna Yanchuk / Michelle Wielgosz**

This class is about exploring different areas of 3-Dimensional media. Students will be exploring 3D art mediums and building on their creative skills through the elements and principles of design. The projects will be sculptural and may include: ceramic, cardboard creations, duct tape fashion, and recycled art.

Foods Around the World - Figueroa**Grade(s): 5****Teacher: Valerie Figueroa**

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

Foods Around the World - Land**Grade(s): 5****Teacher: Bridget Land**

Come join us this summer as we travel around the world! In the classroom, we will explore various cultures and delicious meals. In the kitchen, we will have an opportunity to create the foods and sweet treats that we learn about.

Magicians' Club

Grade(s): 5-6

Teacher: Kenji Mori

In the Magician's Club, you will learn fun and exciting magic tricks that will intrigue your friends! We will work on card tricks, explore different forms of magic, and learn from other magicians during our summer together. Your experience will culminate in a 5-10 minute magic show routine that you will perform in front of friends and family!
--

Cooking 101

Grade(s): 5-8

Teacher: Michelle Lange

Do you love to cook or want to learn how to cook? Then, this is the class for you! We will prep, cook, clean, and eat! Each day we will create delicious and nutritious food that you can also make at home. All chefs will learn cooking basics and have a recipe book to treasure as a keepsake.
--

Gym Games 2

Grade(s): 6-8

Teacher: Zachary Beyer

Students will participate in age-appropriate level gym games. These games could range from advanced tagging games with many different roles, to specific sports activities, and more. Gym shoes are required.

7th Grade Math Readiness

Grade(s): 7

Teacher: Michael Endo

Students will work on essential skills needed for 7th grade. Students will also get a chance to work on areas that they need improvement, and to help develop their math skills while increasing their confidence.
--
