President's Report

- The PTA is looking forward to raising funds for a running track to be made on the district campus for all of district 74 to use. The district plans to have the track put in place during phase two of the ongoing construction in the district. The estimated cost would be \$40,000- \$50,000 to complete.
- A motion was made and passed for the PTA to contribute \$5,000 (already in the grant fund) plus any money raised from a fundraiser in the Spring.
- The idea was suggested for the PTA to use a company called Boosterthon to help fundraise for the school. Pending a fundraiser that Lincoln Hall students are planning, the PTA may use this company in the Spring.
- Asked if Todd Hall would like to host a Book Fair in March. It was determined that there was not enough time to properly plan for a Book Fair.

Treasurer's Report

- There is currently a bank balance of \$15,765.88 in the PTA account.
