4. DISTRICT ARCHITECT OF RECORD - STUDIOGC architecture+interiors
   a. StudioGC architecture+interiors Project(s) Update

      Rutledge Hall Stairwell Flooring - Completed August 16th with some punch list items outstanding.

      Todd Hall Roofing - Completed with the exception of roof coating to be completed in October.
Rutledge Hall Library Classrooms - The Epoxy flooring is finished. The operable partition was delivered on August 18th. Estimated completion by August 20th.

Todd Hall and Rutledge Hall Fire Alarm Updates - Nearing completion of the project, working on installing duct detectors and controls with the existing rooftop units. The code governing CCDC requires 10 additional fire alarm units. The Committee gave approval to move forward using contingency funds on the project.

Todd Hall and Rutledge Hall Door Project - The main doors are set to be installed on August 23rd. There are a few punch list items, transom and door lock cores work will take place at the end.

Todd Hall Grades 1-2 Playground - The demolition and sub base work have been completed. The rain garden, pavers, and concrete will be completed by August 20th. The equipment and surface are estimated to arrive in mid-September.

Rutledge Hall Grade 5 and Specials Furniture - The majority of the furniture has arrived. The book bins have been delayed. Staff Lounge furniture and Lecterns are estimated to arrive in early September.

ROE Occupancy walk through for all projects, except the playground, took place on August 13: The District passed the inspection of all the projects.

HVAC Pumps at Lincoln Hall - Based on the recommendations and potential installation vendors with quotes, the Committee directed the Administration to go out for bid in the winter for a 2022 project completion.

Rutledge Hall IDF Door - The Committee recommended a core door for IT department access only.

Todd Hall Drinking Fountain in the CCDC Wing - Has been completed and is fully functional. CCDC is back at Todd Hall in their classrooms.

School Maintenance Project Grant - The District applied for and was awarded $50,000 from this grant in FY20 for fire alarm work at Todd Hall and Rutledge Hall. Administration plans on applying again for an upcoming project.

Digitization of Architectural Drawings - The files for Administration, Todd Hall and Rutledge Hall have been received. Lincoln Hall is being sent to Cross Rhodes next. The District is working on organizing the electronic files.

Solar Panels - The District is working with vendors to obtain a proposal for Solar Panels to bring to the Committee.

Purpose/Background:
In an effort to ensure the cost of the water main leak is split appropriately between the DIstrict and the Village we present this Intergovernmental Agreement (IGA) The District Legal Counsel along with the Village attorney has reviewed this (IGA). The following is presented to the Committee for recommendation to the Board.

Fiscal Impact:
The Parties agree that: (a) the District has paid for, and will remain solely responsible, all costs associated with the Partial Disconnect; and (b) the Village will be solely responsible for all costs associated with the Work and all remaining components of the Project, including, without limitation, costs related to preparation of the Work Documents and construction costs.
**Recommendation:**
The Finance Committee concurs with the Administration to recommend to the Board of Education to approve the Intergovernmental Agreement (IGA) between the Village of Lincolnwood and Lincolnwood School District 74 for the removal of the water line, located partially below the Rutledge Hall School property and partially below the right-of-way (“Roadway”), which Roadway is owned by the Village of Lincolnwood, as presented.
INTERGOVERNMENTAL AGREEMENT
BETWEEN LINCOLNWOOD SCHOOL DISTRICT 74
AND THE VILLAGE OF LINCOLNWOOD

THIS AGREEMENT is made and entered into this ___ day of _____, 2021 (“Effective Date”) by and between Lincolnwood School District Number 74, an Illinois school district (“District”), and the Village of Lincolnwood, an Illinois home rule municipal corporation (“Village”) (collectively, the District and the Village are the “Parties”).

WITNESSETH:

WHEREAS, the District is the record title owner of the property located at 6850 N. East Prairie Road, Lincolnwood, Illinois (“School Property”); and

WHEREAS, the District has identified the existence of a leaking sub-surface water line facility (“Water Line”), located partially below the School Property and partially below the _____ right-of-way (“Roadway”), which Roadway is owned by the Village; and

WHEREAS, neither the District nor the Village has been able to identify whether either Party, or a third party, is the owner of the Water Line; and

WHEREAS, the District performed initial work required to temporarily disconnect, cut, and cap the Water Line (“Partial Disconnect”); and

WHEREAS, the Parties desire to undertake a complete removal and disconnect of the Water Line (“Project”), including excavation of portions of the School Property and the Roadway; removal and disconnect of the Water Line; pavement milling and resurfacing of the Roadway; drainage structure adjustments as required; and landscaping and other on-site and off-site restoration as required (the “Work”); and

WHEREAS, the Parties desire to share equally in the costs associated with the Partial Disconnect and the Project in accordance with the terms of this Agreement; and

WHEREAS, the Parties agree to undertake the Project jointly and cooperatively, which will benefit both Parties; and

WHEREAS, pursuant to the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., and Article VII, Sections 6 and 10 of the Illinois Constitution of 1970, the Parties desire to enter this Agreement to set forth their respective rights and responsibilities regarding the Project;

NOW, THEREFORE, in consideration of the recitals, mutual covenants, and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the District and the Village agree as follows:

SECTION 1. RECITALS. The foregoing recitals are incorporated into this Agreement as substantive provisions of this Agreement.
SECTION 2. LICENSE. Subject to the terms and conditions set forth in this Agreement, the District hereby grants to the Village, and the Village hereby accepts, a non-exclusive revocable license for the Village to perform the Work on that portion of the School Property depicted on Exhibit A attached hereto and made a part hereof (“Licensed Premises”), pursuant to and in strict accordance with the terms and provisions of this Agreement (“License”). The License will be for a term commencing on the Effective Date and ending on the occurrence of the terminating events described in Section 5 of this Agreement.

SECTION 3. VILLAGE WORK.

A. The Village will be responsible for performing and completing the Work in a good and workmanlike manner, in accordance with this Agreement.

B. Prior to commencement of construction of the Work: (1) the Village will coordinate the preparation of plans and specifications required for the Project (collectively, the “Work Documents”); and (2) the Village must submit the Work Documents to the District for review and approval. The District must review the Work Documents within 10 calendar days after receipt (or such other time period as agreed upon by the Parties) and will approve them (with any appropriate suggested revisions) in writing. Failure of the District to respond to the Village within 10 days after receipt of the Work Documents will be deemed to be an approval of the Work Documents. The Parties agree to cooperate in good faith to finalize the Work Documents to each Party’s reasonable satisfaction prior to submittal. Upon approval by the Parties, such plans and specifications will be known as the “Approved Plans.”

C. The Village will be responsible for awarding the contract for construction of the Project in accordance with the Approved Plans. The District will not be responsible for bidding or award of the contract.

D. The Village will be responsible for and will coordinate the management, inspection, and coordination of the Work. The District will not be responsible for completion of the Work, but the District may at any time inspect and review the Work as it progresses and is completed.

E. During the period of the construction of the Work, the Village must maintain the Licensed Premises and all streets, sidewalks, and other public property in and adjacent to the Licensed Premises in a safe, good and clean condition without hazard to public use at all times.

SECTION 4. COST RESPONSIBILITIES.

The Parties agree that: (a) the District has paid for, and will remain solely responsible, all costs associated with the Partial Disconnect; and (b) the Village will be solely responsible for all costs associated with the Work and all remaining components of the Project, including, without limitation, costs related to preparation of the Work Documents and construction costs.

SECTION 5. TERM OF AGREEMENT. This Agreement will commence on the Effective Date, and will terminate upon the last to occur of: (a) completion of all of the Work, and acceptance thereof by the District and the Village; and (b) reimbursement by the Village and
District of all costs of the Partial Disconnect and the Work, as required by Section 4 of this Agreement. The obligations of Section 6 will survive the termination of this Agreement.

**SECTION 6. MUTUAL INDEMNIFICATION.** To the fullest extent permitted by law, each Party will indemnify, hold harmless, and protect the other Party and its appointed and elected officials, officers employees, directors, agents, and representatives from and against any and all claims, obligations, liens, encumbrances, demands, liabilities, penalties, causes of action, and costs and expenses of any kind, including without limitation orders, damages, judgments, fines, forfeitures, amounts paid in settlement, and attorneys’ fees and litigation costs relating to, arising out of or alleged to have occurred in whole or in part in connection with the Project or this Agreement.

**SECTION 7. TERMINATION; BREACH.** This Agreement may be terminated by either Party prior to bidding the Project on 30 days’ written notice without any liability to the other Party, if: (a) either Party lacks available funds to complete its share of the Project Costs or (b) a contract for the construction of the Project is not awarded within six months after the Effective Date. If this Agreement is terminated pursuant to Section 8(a) of this Agreement, then the terminating Party will reimburse the other Party in full for engineering and other pre-bidding costs that would not otherwise have been expended. This Agreement also may be terminated by either Party on 30 days’ written notice if the other Party fails substantially to perform in accordance with the terms of this Agreement and then fails to cure the non-performance within the 30-day notice period.

**SECTION 8. COMPLIANCE WITH LAWS.** Each Party agrees to observe and comply with all federal, State, and local laws, codes, and ordinances applicable to the Project and the Work.

**SECTION 9. AMENDMENTS.** No amendment or modification to this Agreement will be effective until it is reduced to writing and approved and executed by the governing boards of each Party to this Agreement in accordance with all applicable statutory procedures.

**SECTION 10. ENTIRE AGREEMENT.** This Agreement contains the entire agreement and understanding by and between the Parties. No representations, promises, agreements, or understandings, written or oral, not herein contained are of any force or effect.

**SECTION 11. NOTICES.** All notices required or permitted to be given under this Agreement must be given by the parties by: (i) personal delivery; (ii) deposit in the United States mail, enclosed in a sealed envelope with first class postage thereon; or (iii) deposit with a nationally-recognized overnight delivery service, addressed as stated in this Section 11.A. The address of any party may be changed by written notice to the other parties. Any mailed notice will be deemed to have been given and received within three days after the same has been mailed and any notice given by overnight courier will be deemed to have been given and received within 24 hours after deposit. Notices and communications to the parties must be addressed to, and delivered at, the following addresses:

Purpose/Background:  
The third round of federal dollars from the Elementary and Secondary School Emergency Relief Fund (ESSER III) allocates $1,725,712 to the District. The grant calls for 20% of the funds to be set aside to address learning loss. The remaining allocation can be expended in a wide variety of ways related to challenges districts have encountered from COVID-19.

In the grant application, the District must develop a Use of Funds plan within 90 days of funds being received. Plans must be made available to the public and posted on the District website.

The Administration has created a Use of Funds plan to meet grant requirements. Based on a review of the Master Facilities plan with the District Architect, the Administration has identified replacement of mechanical rooftop units at Todd Hall and Rutledge Hall as a significant project to complete using ESSER III funds. The grant allows expenditures related to: repair and upgrade projects to improve air quality in school buildings. Other projects identified include instructional materials, academic intervention and support, and technology hardware.

Fiscal Impact:  
The District has been allocated $1,725,712 in ESSER III funds.

Recommendation:  
This summary is for information and discussion purposes. The Administration requests direction from the Facilities Committee on next steps.
