

Over the counter option:

Testing may take place with a rapid antigen Emergency Use Authorized (EUA) approved test (ie. Binax Now or Quick Vue) that can provide results within 30 minutes.

Testing sites:

FREE COVID CARE facilities that can be found here <https://www.freecovidcare.com/> Closest location to our District is at 4010 W. Touhy Avenue, Lincolnwood, IL 60712. They start testing at 7am.

[NTL Labs](#) on Gross Point Rd. and Dempster in Skokie is convenient for testing. They have appointments every 2-4 minutes from 7:30 AM - 6:30 PM. They accept insured or uninsured individuals (all testing sites should do this as there is a government program that pays for testing). The website is easy to use to make an appointment.

There are also testing sites through Walgreens, Northshore, etc. All sites should have free testing.
