## Recommendations:

-  Update your Zoom app
-  Create an E-Learning lesson plan (see below)
-  Create an unpublished E-Learning folder in Schoology that can be published when needed
  - Put your Zoom link in the folder - label it with your Meeting ID
  - Create the E-Learning assignment & put it in the folder
  - Pro-tip: Link your teacher plans in the folder, too (keep unpublished just for you so everything is in one place)
